We are looking for full-time osteopaths to join our growing team. The successful candidate is an enthusiastic and motivated team player who is adaptable and proactive, has good communication and interpersonal skills and is committed to patient care.

BODYWORKS STUDIO is one of Singapore's most established musculoskeletal centres. Our clinic was voted WINNER of the EXPAT LIVING READER AWARDS in 2009 and 2010.

We provide pre- and post-operative manipulative therapy and rehabilitation for spine and extremity injuries. Our practice has brought together a multi-disciplinary team of practitioners with extensive clinical experience who are enthusiastic about expanding their expertise to facilitate our patients' progress.

Your key responsibility is to provide the best quality osteopathy services to patients with issues in their body's nervous, circulatory, and lymphatic systems.

You should possess (1) a recognised qualification in Osteopath, preferably with at least 3 – 5 years' experience in the field and (2) membership with the relevant professional organisation.

Our clinic operates on a 5-day work week. If you have a keen interest in exploring manual and movement therapy and are looking for a challenging position with opportunities for learning, we invite you to send in your curriculum vitae including details of work experience, academic qualifications, continual education, present & expected salaries and contact details to:
